Chess Line[®]
APPARELS PVT. LTD.

In 1995, when the markets were just opening up to foreign brands, Chessline Shirts was established. The company was started with only six machines to spare, and after two decades of success, we have a corporate office at Dadar, Mumbai's garment hub, and a 17,000 sq. ft. manufacturing unit at Dombivali, with state of the art equipments and technology. We have earned a stellar reputation in the market for designing and stitching unique, innovative, and high quality shirts for men, which define their style and masculinity. From designing to cutting the fabric to stitching to packaging, Chessline Shirts is devoted to produce just the right shirts for every occasion, without any compromise in their qualities. Our aim today is to set new trends for Indian men, by designing shirts that they would love and feel confident wearing.
